Mayor Zinkhann is currently working on a grant for the sign and anyone interested in discussion of the grant can meet with the Lions & EDCO, @ the Historical Society at 6:30 PM on Tuesday the 7th of January.

Fire Department Report was given to council to review no representative present.

Street Department Report: was given to council to review no representative present.

Public Comment #2:

Chief Joe McCombs of Evans City/Seven Fields Regional Police spoke about the need for the borough to have the bridge on Harrison Street to be tested for an accurate weight limit of trucks and vehicles traveling over the bridge. This is needed for traffic rerouting for emergencies, parades, and other events that the borough may be involved with.

Council went into executive session with no need to come back to public session for personnel issues.

Meeting adjourned at 8:23 PM by Councilwoman Cheri Deener-Kohan and Norm Nelson. Motion Carried.

Respectively submitted by:

Norm Nelson
